

MATES COMMUNITY NETWORK

SPONSORSHIP Opportunities 2025-26

Mural by Mark Bukofsky

How to Make a Difference and Get Involved

Sponsoring the MATES Community Network (MCN) supports programs like the Winter Art Gallery, International Night, STEAM Night, Art@Lunch, and more—enriching our students' school experience.

Your business or family will gain community visibility with recognition at events, online, and on campus (based on sponsorship level). All donations are tax deductible.

See the attached Sponsorship Menu to explore opportunities to make a meaningful impact. For questions, contact MCN Fundraising Co-Chairs Jessica Ng and Lyndsay Rosen at fundraising@matesmcn.net. Thank you for supporting our school!

MCN is the parent/teacher organization that supports Meadows Arts and Technology Elementary School (MATES) and provides fundraising and programs that benefit MATES. MCN is a 501(c)3 organization # 45-5538529 for your tax deductible donations.
