

## MATES BENEFIT DINNER & AUCTION 2026 DONATION FORM

Dear Community Member,

Meadows Arts and Technology Elementary School (MATES), a Thousand Oaks charter school honored in 2023 as Distinguished and Exemplary in the Arts, will host its Annual Benefit Dinner & Silent Auction on **Friday, April 24, 2026**. This much-anticipated event brings together teachers, parents, friends, and community members for an evening celebrating our students—and it serves as our largest fundraiser of the year.

The success of our auction depends on the generosity of local businesses and individuals like you. We are reaching out to request a donation—whether a product, service, or gift certificate—for our silent or live auction. Every dollar raised directly benefits our students through vital programs and enhancements such as classroom technology, campus beautification, and enrichment opportunities including Art@Lunch, Science Fair, Winter Art Gallery, Run Club, Music Programs, and new outdoor equipment.

As a publicly funded charter school, MATES serves families throughout Thousand Oaks and nearby communities. Our families are highly engaged and deeply supportive of the local businesses that invest in our school—they truly appreciate and patronize those who give back.

Your tax-deductible contribution will be recognized in our event catalog and prominently featured on our auction website. A tax receipt, including our nonprofit tax ID number, will be provided for your records.

Please complete and return the attached Donation Form, or contact us at [fundraising@MatesMCN.net](mailto:fundraising@MatesMCN.net) with any questions.

On behalf of our students, staff, and families, thank you for your generosity and community spirit. Your support helps MATES continue to inspire creativity, curiosity, and a lifelong love of learning. Thank you for your support!!

With gratitude,

Lyndsay Rosen and Jessica Ng

MCN Fundraising Co-Chairs
